

CAPABILITY STATEMENT

The Renee Group, Inc. (RGI) is a minority owned service construction company with over 80 years of combined experience in the water & sewer utility industry. RGI performs all phases of water distribution and sanitary sewer construction. RGI repair and rehabilitation of water infrastructure includes CCTV video pipe inspections; sewer & storm water pipe installation; pipeline point repairs; and locating, exposing and repair/rehabilitation of manholes. We also install water utility markers, water meters, water mains, and pipe bursting.
